iii. Jurisdiction:

Plaintiff has brought this matter pursuant to 42 U.S.C. § 1983. Subject matter jurisdiction lies because of the federal question presented by this case.

Defendants do not dispute jurisdiction.

iv. Claims and Defenses:

Claim:

Plaintiff has brought this claim pursuant to 42 U.S.C. § 1983. The plaintiff claims that on September 20, 2012 her son Tyjuan Hill, without just cause, was shot and killed by one or more members of the New York City Police Department. The sole defendant at this time is Patrick Quigley. This constitutes excessive force in violation of the plaintiff's Constitutional rights pursuant to 42 U.S.C. § 1983 and the Due Process Clause of the Fourteenth Amendment to the United States Constitution as to the individually named defendant Patrick Quigley.

Defenses:

- a) Defendant Quigley did not violate any rights, privileges or immunities under the Constitution or laws of the United States or the State of New York or any political subdivision thereof, nor have they violated any Act of Congress providing for the protection of civil rights.
- b) Defendant Quigley did not violate any clearly established constitutional or statutory right of which a reasonable person would have known and therefore is protected by the defense of qualified immunity.
- c) Defendant Quigley acted reasonably and properly in the lawful exercise of his discretion.
- d) Any force was reasonable and justified under the circumstances.

v. Pleadings:

A marked copy of the pleadings is annexed as the plaintiff's last exhibit to this Joint Pre-Trial Order.

vi. Jury or Bench Trial:

This case is to be tried before a jury. Plaintiff estimates the matter will take approximately two weeks to be tried. Defendants estimate five or six days to complete the presentation of the evidence.

vii. Consent to Magistrate Judge:

The parties have not consented to a trial by a Magistrate Judge.

viii. Stipulated Facts:

None.

ix. Witnesses:

Plaintiff's Witnesses:¹

- (1) Sgt. Patrick Quigley
- (2) Sgt. Daniel Casella
- (3) Sgt. Maggie Clamp
- (4) Sgt. Gregory Tobin
- (5) Det. Christopher Florio
- (6) Det. Patrick Henn
- (7) Det. Thomas Jurewicz

Objection to Det. Jurewicz – Detective Jurewicz's testimony was previously precluded by the Court. Detective Jurewicz was assigned to conduct a preliminary investigation into the shooting before the investigation was turned over to the Investigations Division and he has no firsthand knowledge of the incident. Your Honor read the plaintiff's proposed testimony from Detective Jurewicz's deposition and sustained Defendants' objection. (See Trial Transcript, 907:11-14 ("I don't see anything on pages 20 through 23 of the transcript that add anything to this case or rebut anything in this case. Defendants' objection is sustained"); 908:4-909:2 (regarding pages 43 and 44 from the deposition "Objection sustained"); 909:5-910:24 (regarding page 57 from the deposition "This doesn't add anything and I sustain the objection"); and 911:1-10 (regarding page 58 from the deposition "Objection sustained"; Mr. Colihan: "So that takes care of Jurewicz.")).

¹ Defendants reserve the right to call any and all witnesses listed by plaintiff.

- (8) Det. Joseph Christophe
- (9) P.O. Jose Cofresi
- (10) P.O. Benigno Gonzales
- (11) P.O. Lyheem Oliver
- (12) P.O. Cairley Rivera
- (13) P.O. Sambath Ouk
- (14) P.O. Bradley Tirol
- (15) Jomo Cunningham
- (16) Brian Ellerby
- (17) Robert Davis
- (18) Suzette Smoot, also known as Suzette Pallares
- (19) Elena Emerson
- (20) Jose Garcia
- (21) Carol Hill
- (22) Joseph Pollini (expert witness)

Objection to Joseph Pollini – Federal Rule of Civil Procedure 26(a)(2)(D) requires that expert disclosures be made “at least 90 days before the date set for trial.” Plaintiff failed to comply with this rule and on March 1, 2017, identified Mr. Pollini as her expert, just six days before the start of trial. In addition to flouting the rules with respect to timing, plaintiff failed to provide an expert report or expert disclosures with respect to Mr. Pollini. Discovery and expert discovery has long since closed in this matter. If Mr. Pollini was properly and timely identified as an expert, the defense would have procured a rebuttal expert. In short, plaintiff failed to comply with the Federal Rules and Mr. Pollini must be precluded.

- (23) Nicholas Kass-Johnson

Objection to Nicholas Kass-Johnson – Defendants previously moved to preclude Mr. Kass-Johnson from testifying on the grounds that he was not identified as a witness during discovery and Defendants did not have the opportunity to depose him. On September 9, 2016, Your Honor ruled that Mr. Kass-Johnson could appear as a witness provided “that the Defendants have an opportunity to depose Mr. Kass-Johnson.” See Summary Order on Motions in Limine, Docket Entry No. 223. Mr. Kass-Johnson lives out of state and Defendants have not had an opportunity to depose him. Accordingly, he should not be allowed to testify absent sitting for a deposition.

81	The trial testimony of Sgt. Daniel Casella taken September 13, 2016 p 126-210	OBJECTION TO EXHIBITS 81 THROUGH 100 and 109 THROUGH 127 – <i>Defendant has no objection to the extent the trial and/or deposition transcripts are used for impeachment purposes with the witness on the stand.</i> However, defendant objects to the use of transcripts where the witness is not unavailable and where the witness is not on the stand. Moreover, the transcripts of the GO-15s are not certified and the audio (Exhibit 12) would be the more accurate form of that testimony.
